## FAMILY BUSINESSES: ADJUSTING TO THE CHANGING ECONOMY

**Thursday, March 10, 2016  
5:30 - 8:30 pm**

**UMass-Dartmouth Center for Innovation & Entrepreneurship  
151 Martine St, Fall River, MA 02723**

Increases in the minimum wage. Federal mandates and skyrocketing health care costs. Rising interest rates. Election year posturing and promises. Challenges in succession planning. All these issues, and more, can create barriers to growth for a family owned business. But they are not insurmountable. Join the Family Business Association and SNEEF to discover how family businesses like yours are adapting and adjusting to the rapid economic changes we are experiencing.
